Matriculation (2017-2018)

10th with a percentage of **87.67** from Damodar Nodal Vidyapitha, Achyutpur.

PROJECTS

Note master

A full stack note taking web app that allows users to take notes which is stored securely in a remote database and users can retrieve their notes whenever they want by simply logging into their accounts.

project link - <https://notemaster-alpha.vercel.app>

Chatbot X

This website includes an integrated chatbot that provides users with intelligent and personalized responses. The chatbot is able to understand natural language and is trained to answer common questions and provide assistance.

project link - <https://chat-bot-x.vercel.app>

Password Generator

A webpage with clean and intuitive interface which can generate random passwords. It also allows the user to customize their passwords.

project link - <https://generate-password-phi.vercel.app>

Omni-Food

The landing page of a food delivery app. It has advanced animations and a beautiful user interface.
